framek  
door solutions

This is a range that offers you with an aesthetically pleasing and highly adaptable solution whilst still remaining cost effective, making it ideal for those projects where performance levels are not needed.

- ▶ Natural timber veneers
- ▶ Lacquered coat to give a hardwearing surface
- ▶ 44mm door thickness
- ▶ 4/5 day lead time (subject to availability)

Designed around projects that require a quick turnaround or have a smaller budget. Still allowing the transformation of any space into a more professional and sophisticated environment.
