For total peace of mind this range carries the prestigious BWF-certifire accreditation, guaranteeing the monitoring and recording throughout our production process, in order to provide the end user with a fully performance rated product.

- ▶ FD30 & FD60 options available
- ▶ Unique tamper proof certifier label, making identification easy even after installation
- ▶ Factory glazed as standard
- ▶ 6/7 day turnaround (subject to availability)

The high specification demanded with this range is not however let down by its lack of choice. We can provide one of the widest ranges of veneers and configurations to ensure you can still achieve a stimulating workspace.
