

# SOLID

framek  
door solutions

This has proved to be one of our most popular ranges, as it is easily adapted to provide solutions to many of the current market demands.

- ▶ 8 veneers in stock with many more available on request
- ▶ Book matched doors available (on request)
- ▶ 44mm door thickness
- ▶ Cut & relip option for the more bespoke projects
- ▶ 5/6 day lead time (subject to availability)

With both our own manufacturing plant and engineering team based in the West Midlands we are able to assist our clients with any new and innovative ideas and designs to help exceed their customers expectations time and time again.
